e-mail submissions: **webmaster@americanseafoods.com** (resume should be in Word format)

American Seafoods Co., one of the largest, integrated seafood companies in the US. We are a leader in harvesting, at-sea processing, preparation, and supplying of quality seafood.

From the ocean to the plate, American Seafoods has established a global sourcing, selling, marketing, and distribution network bringing quality seafood to consumers worldwide.

Assistant Engineers: *responsible for assisting in the safe and efficient maintenance and operation of all ship's engineering systems and processes, which would include: diesel propulsion systems; deck hydraulic and pneumatic systems, fuel and lubrication systems; refrigeration plant; sewage treatment; water making/desalinization system; vacuum sanitation system; heating and ventilation systems; radar and navigational systems; Satcom and telecommunications equipment, and any other systems for the vessel or factory. Assisting in the manning and other USCG operating regulations for the vessel, and assisting in the preventive maintenance programs for all engineering systems.*

Skills and experience required:

- ◆ Minimum of 3 years vessel experience is required.
- ◆ 3rd Assistant Unlimited USCG license preferred.
- ◆ Must be highly qualified to operate and troubleshoot all marine systems as indicated above.
- ◆ Knowledgeable in oil spill response and recovery per regulations.
- ◆ Knowledgeable in proper handling and disposal of hazardous materials.
- ◆ Thorough understanding and compliance to Marpol regulations.
- ◆ Competent team member and participant in vessel's abandon ship, fire fighting and man overboard drills.
- ◆ Ability to weld and cut various types of metals (MIG, TIG, ARC)
- ◆ Ability to interface in a cooperative and businesslike manner with company vendor representatives, shipyard representatives and outside contractors.

Physical ability required:

Must meet US Coast Guard licensing standards regarding physical condition, hearing and eyesight minimums. Ability to pass a pre-employment and random drug tests.

You must also be able to pass a criminal background check.

Must be capable of boarding and exiting a vessel without physical assistance by climbing up and down a gang plank or using a Jacob's ladder. Must climb or descend one or more set of steep stairs, or vertical ladders inside and outside the vessel in all weather conditions as extreme as 30 degrees below zero. Must possess proper license (minimum is Unlimited 3rd) and necessary endorsement as required by the USCG.

Work Schedule:

- ◆ 12 hours or more per day for the duration of the trip, including loading and unloading.
- ◆ Ability to work at sea for extended periods of time.
